COMMUNITY

Centennial High School is a Fulton County public four-year college preparatory and career technology high school located approximately 13 miles immediately north of the 285 bypass and 3 miles east of GA 400, exit 7A.

Centennial serves approximately 45,000 residents who are predominantly college-educated, high income professional and business leaders in the metro-Atlanta and international economic community.

The student composition is a cross section of talented individuals from diverse socio-economic and cultural backgrounds.

INFORMATION

2010-11 Georgia High School Graduation Test

The passing score is 500 for Math. The passing score is 200 for English, Science, Social Studies and Writing.

	MeanScore	Pass Rate
English	249	95%
Math	250	90%
Science	250	96%
Social Studies	266	91%
Writing	233	98%

Georgia law requires all students seeking to obtain a high school diploma to pass a set of tests in reading, writing, mathematics, social studies, and science.

Students first take the tests in their junior year. Scores are reported on the percentage of students passing the test by subject area on the first attempt.

CLASS SCHEDULE

Centennial High School's school year is comprised of 177 days. On Mondays, Wednesdays, and Fridays students have an 8-period day, during which they participate in a 31-minute elective seminar. Classes on these days are 52 minutes each. On Tuesdays and Thursdays, students follow a traditional 7-period schedule comprised of 57 minute classes and no elective seminar. CHS is on a semester schedule, and credit is awarded at the end of each semester. Grade reports are given at six weeks and twelve weeks, but the final semester grade is what appears on the transcript.

SPECIAL PROGRAMS

The Governor's Honors Program is a state sponsored, four-week summer residential program for rising juniors and seniors. Students are nominated in the five primary academic areas plus art, dance, music, and management. Centennial averages six students per year in this highly competitive program.

Advanced Placement Course examinations are evaluated and scored on a five-point scale where a five is the highest score. Centennial students consistently score within the 3 to 5 score range, thus making them potentially eligible for college credit and indicating their well-qualified college entrance performance.

Talented and Gifted Programs serve approximately 28.5% of Centennial's population. The program augments the classroom activities through seminars, subject extensions, independent or directed studies, and career internships.

Joint Enrollment and Post Secondary Options are programs by which students can earn high school graduation credit for courses taken at post-secondary institutions. Courses are offered both on and off campus. The student is simultaneously enrolled at both institutions or may, in fact, attend the post-secondary institution altogether. A key element for this program is the fulfillment by students of the high school graduation requirements as set by the Board of Education.

Services to Exceptional Children are available at Centennial High School. Centennial is a center-based school serving all exceptionalities.
