CURRICULUM

Centennial High School offers a diverse curriculum that meets individual student needs who seek a challenging college preparatory experience. All CHS students have a personal device (Dell Latitude). 87% of Centennial graduates attend institutions of higher learning. Centennial's curriculum offerings prepare students for the challenges beyond high school. Course offerings are determined by State of Georgia and Fulton County Board of Education requirements, student selection, availability of staff, and cost effectiveness.

Advanced Placement Course examinations are evaluated and scored on a five-point scale where a five is the highest score. Students scoring within the 3 to 5 score range are potentially eligible for college credit and are indicating their well-qualified college entrance performance.

Career and Technology Education Programs:

Audio/Visual Technology, Health Science, Criminal Justice, Engineering & Technology, Programming, Computer Science, Nutrition & Food Science, Business & Financial Services, and JROTC.

Dual Enrollment and Post-Secondary Options are programs by which students can earn high school graduation credit for courses taken at post-secondary institutions. Courses are offered both on and off campus. Students simultaneously enroll at both institutions or may attend the post-secondary institution altogether. Students must fulfill the high school graduation requirements as set by the Board of Education.

Talented and Gifted Programs serve approximately 30.5% of Centennial's population. The program augments the classroom activities through seminars, subject extensions, independent or directed studies, and career internships.

IB Diploma Programme is an academically challenging and educational program for juniors & seniors. It supports students at the university level and life beyond high school. The IB DP exams are graded on a 1-7 scale, with scores of 4 to 7 leading to possible collegiate credit. The IB Diploma Programme is recognized & respected by the world's leading universities & institutions.
